

At the bottom of each message, you will be prompted with questions on how to approach and solve work related challenges.

- 1. Most questions will ask you to evaluate multiple possible reactions to the challenge.
- 2. Evaluate the reactions by selecting the response choice aligned with the rating scale.
- 3. A tooltip will display the value of the rating scale when you hover over it. After you select the number from 1 to 5, the tooltip will continue to display until you escape out of it or perform another action in the simulation.
- 4. When you are ready to record your answers, click the Next button.

Be sure it is your final answer before clicking the Next button, as you will not be able to revisit your answers.
